

POSTER PRESENTATION GUIDELINES

In **preparing your poster presentation** please use the following guidelines:

- Size: 70cm x 100cm - in portrait orientation. The organizer will provide suitable fixing material.
- Written in English
- Written in Italian if accepted as **Poster Presentation in Italian Language**
- If figures are included, these should be clearly labelled and legible

More information concerning set up and exhibition dates will follow.

Each poster board will be given a specific number. Authors are kindly asked to make sure to mount their poster on the poster board with the number corresponding to the number assigned to their poster presentation (e. g. P 01, P 02 etc...).

Your poster number can be found by checking the Index in the Abstract Book.

We strongly recommend that the authors are present next to their work during the poster sessions and breaks.

Printing and transport of the poster is at author's charge and care, no poster printing service would be provided onsite.

Admission to the poster area is granted only to participants regularly registered to the conference within the **Early Registration deadline (August 31, 2020)**
